**AMENDMENT in response to Office Action, dated December 5, 2003 and
 Petition Requesting a Three Month Extension**

Commissioner for Patents
 P.O. Box 1450
 Alexandria, VA 22313-1450

Dear Sir:

Responsive to an Office Action mailed December 5, 2003, with a three month period for response, the applicants would request the reconsideration and reexamination of the present application, in view of the present amendment and corresponding remarks. As presently amended, the application includes 45 claims, 5 of which are independent. The 45 claims and 5 independent claims are equal to or less than the highest number of claims (48) and independent claims (5), which were previously paid for. Correspondingly no extra claim fee is due.

In conjunction with the present response, a request for a three month extension is being simultaneously submitted, which would extend the response date from March 5, 2004 to June 7, 2004, the first business day after June 5, 2004, which falls on a Saturday. In association therewith, a fee in the amount of \$950 is believed to be due in connection with the request for the three month extension. The applicants' representative authorizes the Commissioner to charge the aforementioned total amount due, as well as any other fees deemed to be necessary in connection with entry and consideration of the present amendment including any fee required to cover any deficiency
